## New Routes for 2009

*The Howell Rotary Club is offering a fully supported bike tour through scenic Livingston County during peak autumn colors.*

You begin and end your ride at the Mt. Brighton Ski Area located at 4141 Bauer Road, Brighton, Michigan. A well-balanced buffet will be ready once you have finished your ride. Many of the routes include the beautiful Kensington Metro Park and Island Lake State Recreation Area. The new Howell Crosstown Trail will also be featured.

**Road Bike Loops**

Spend the day enjoying the beautiful fall colors and countryside of Livingston County. Four different loops that begin and end at Mt. Brighton. You will have the opportunity to ride 25, 30, 55, or 75 mile loops. With loops going thru Howell, Brighton, Milford and various parks.

**Century Route**

This 100 mile loop will tour several unique rural communities including a rest stop at the famous Historic Parshallville Cidermill.

**Family Fun Loop and Recreational Ride**

An easy route consisting mostly of paved bike paths with several ice cream shops near the half-way point! Est. 6 mile, or 10 mile loop.

All distances are approximate!

The Rotary Club of Howell, serving the community and the world since 1926. Why are we doing this?

The mission of Rotary is to serve their community while promoting harmony and good will throughout the world.

All proceeds from this ride will be used to benefit local critical health and human services needs through the Livingston County United Way. As a cyclist you can spend a day doing something you love and help support an organization whose motto is "Service Above Self" and whose goal is to improve friendship and understanding across the community and around the world.
